What is Backyard?

Backyard helps groups bond with a variety of online games and live video-chats all in one tidy platform. These games are casual group games that aim to create a better online hangout experience.

Some of the games currently available:

- **Doodle** [2-12 players]
You guess what your friends have doodled.
- **Codewords** [4-12 players]
A team-based word game that is hours of fun! It's like Codenames.
- **Wordplay** [1-12 players]
A fun fill-in-the-blank card game similar to Cards Against Humanity.
- **Letter Tile** [2-12 players]
A word game. Spell words with tiles and earn points!
- **Whiteboard** [1-12 players]
A scratchpad to draw, write, or play games like tic-tac-toe.
- **Screen-sharing** [2-12 users]
(Not a game) Share the contents of your screen with your friends. Crossword puzzles - The classic word puzzle brought online for ease of use and collaboration!
- **Bloxors** [2-4 players]
An abstract strategy board game. It's like Blokus!
- **Figure Drawing** [2-12 players]
Strike a pose and color it in! A drawing game where you are the canvas.
- **Camp Werewolf** [3-12 players]
A mafia-style social deduction game. Find out who can lie to your face!
- **Tanx** [2-12 players]
A team based tank game where you battle in a maze.
- **Chess** [2 players]
The classic strategy board game. Bobby Fischer's favorite!
- **Word Scramble** [2-12 players]
Your favorite word search game. It's like Boggle!
- **Bonfire Hot Seat** [2-12 players]
A flamin' hot ice-breaker experience. Get to know each other better while sitting around the campfire.
- **Marbles** [1-12 players]
Roll a ball from A to B as fast as possible.
- **Secret Dictator** [5-12 players]
Deception game where there are enemies among the group.
- **Watch Youtube** [1-12 players]
Create a shared playlist of YouTube videos to watch with friends
